RE: Finnegan v. Berben, 20 Civ. 10231 (KMK)

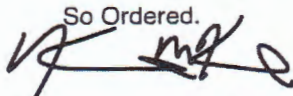

Dear Judge Karas,

I write respectfully, on behalf of Plaintiff Timothy Finnegan, to request an adjournment of the pre-motion conference from May 9, 2023 to May 16, 2023, or any date that is convenient for the court beginning May 13th and onward. In approximately August 2022, I planned a family vacation for the first week and a half of May 2023. As such, I took this time off work and am unable to be present for the conference. As the handling attorney, I am fully familiar with the facts and procedural history of this case. This adjournment would allow me to be present at the conference and able to fully and meaningfully participate. Counsel for Defendant has consented to this request.

I thank you for your consideration of this request.

Granted. The conference is moved to 5/ **15** /23,
at **2:00**

So Ordered.

Respectfully submitted,
